## RVW PUGH WINS FARM MACHINERY DEALER OF THE YEAR

Medwyn Evans, Emma Leah and Mary Evans with the Award.

RVW Pugh was placed in a category against some of the largest and diverse dealers in the country. After a thorough judging process Pugh's were announced as a finalist in the category alongside some stiff competition, a multi depot John Deere Dealer and a well-established AGCO dealer with 5 depots in the East Midlands area.

An integral part of the judging process for the Awards included customer feedback. High praise received for RVW Pugh included, "Everyone will offer great deals, but RVW Pugh Ltd put themselves out once the purchase has been made. We can get hold of someone if we need advice out of hours and the service technicians carry out routine services to fit in with our business hours to minimise downtime which is very important to us."

Steve Gibbs, Editor of Service Dealer magazine, said, "The standard of all our winning dealerships has been extraordinary this year. An excellence which has been reflected in the quality of comments received from satisfied customers across the UK. These businesses are delivering a level of customer service which is only possible through a dedicated specialist."

Emma Leah, Business Manager said, "It is great to be recognised and we want to thank all the team at RVW Pugh for their effort and going that extra mile to provide the full package. We have always prided ourselves on being sales focussed but we know that in order to be successful in the long term, in such a difficult industry, good aftersales is paramount."

Robert Pugh, Business Owner said, "Mirroring what my daughter has said we must remember that there are three elements to our business. These are the customers, suppliers and staff, without these we have nothing. In this instance all must be recognised in enabling us to be considered for this award. We are thankful that our manufacturers continue to provide products that are efficient and desirable. Our customers for their continuing support and all the Pugh team for their effort and loyalty. We pride ourselves on delivering experience in parts, sales and service and this has inevitably encouraged people to vote for us and allowed us to gain this award." **Read the full story at [www.rvwpuh.co.uk/news](http://www.rvwpuh.co.uk/news)**
